EDUCATION

Bachelor of Science in Civil Engineering, Transportation Engineering Concentration; 2001
Villanova University; Villanova, PA

- Reserve Officer Training Corps (ROTC) Operations Group Commander for 63 cadets.

CERTIFICATIONS

Engineer-in-Training (EIT) certification; Pennsylvania (April 2001)

EXPERIENCE: Lieutenant, Civil Engineering Corps; United States Air Force

Maintenance Engineering Chief, 437th Civil Engineer Squadron, Charleston AFB, SC

08/04-05/05

Supervised 26 personnel in 3 sections. Responsible for planning, scheduling and managing 23,000 man-hours for civil engineer in-house maintenance, minor construction work for 270 facilities, 1,276 housing units and 6,481 acres of grounds, supporting utilities and pavement systems valued at \$1B. Responsible for managing 12 service contracts worth over \$5M and \$3.2M in utilities and energy management programs.

- Executed \$1.6M in utilities infrastructure projects; eliminated numerous environmental/safety concerns.
- Managed Maintenance Engineering FY05 financial plan; secured \$2.7M in spending to support Wing.

Deputy Maintenance Engineering Chief, 437th Civil Engineer Squadron, Charleston AFB, SC

11/03-08/04

Created the pavement and storm drainage 5-year infrastructure improvement plans and managed associated \$4M maintenance contracts. Served as the Operations Flight technical expert reviewing all incoming construction drawings and specifications to ensure in-house maintainability.

- Programmed, planned, and executed \$450K of pavement projects; earned the highest command rating.
- Oversaw \$524K stormwater project to avoid flooding and road closure on base's main delivery route.

Base Civil Engineer, 332nd Civil Engineer Squadron, Ahmed Al Jaber Air Base, Kuwait

07/03-11/03

Commanded a squadron of 100 military and 20 contracted civilian personnel. Directly responsible for project programming, design, construction management, service contract management, drafting and surveying, fire protection, and explosive ordinance disposal. Supported over \$67M in real property, including 406 facilities, 87 acres of U.S. controlled real estate and 2.2M square feet in airfield pavement.

- Seamlessly switched focus mid-deployment to fill a Major's billet as the unit commander.
- Planned and executed innovative "warm base" concept. Directed the shipment of \$600M worth of assets while transitioning Al Jaber AB for facility and infrastructure preservation in case of future contingencies.
- Redistributed 265 WRM Harvest Falcon assets valued at \$3.3M to bare base locations in Iraq.
- Awarded the September 2003 Expeditionary Air Wing Officer of the Month; #1 out of 53 officers.

Deputy Construction Management Chief, 437th Civil Engineer Squadron, Charleston AFB, SC

06/02-07/03

Supervised team of 4 inspectors. Ensured all projects constructed in accordance with contract drawings and specifications. Monitored contractor work and schedules, approved submittals and shop drawings, resolved design and construction deficiencies to ensure all construction meets codes and user needs.

- Primary construction inspector for 14 projects and \$27.5M in Military Construction (MILCON) work.
- Consistently handled military taskings with construction management requirements. Distinguished visitor project officer for Senator Lindsey Graham (R-SC), seven congressional staffers, and 2 General Officers.
- Awarded the 2002 Mission Support Group Company Grade Officer of the Year; #1 out of 48 officers.

Construction Inspector, 437th Civil Engineer Squadron, Charleston AFB, SC

06/01-06/02

Performed construction management for MILCON and Operations and Maintenance (O&M) projects. Assisted in the preparation of cost estimates and negotiated contract modifications in association with the contracting office. Administered warranty program for newly constructed facilities.

- Inspected \$13M Squadron Operations facilities and mission critical \$2.5M flight simulator addition.
- Developed new post 9/11 security procedures for contractor personnel resulting in minimal delays.
- Key to winning the 2001 Curtain Award for best Civil Engineer Squadron throughout the Air Force.

PERSONAL: Excellent health. Enjoy community service, physical fitness and promoting education. Possess Secret Security Clearance. Willing to travel. Willing to relocate.
